

C2G DB25 Male to DB25 Female Serial RS232 Null Modem Adapter Part No. CG-02469

Convert a serial cable into a null modem cable with this handy adapter, a quick and easy fix for your DTE or DCE incompatibilities. Crossing the data transmission lines in straight-through serial cables, this adapter will connect two RS-232 serial ports. The adapter's molded design provides a solid connection while shielded against outside EMI/RFI interference.

Features & Benefits

Adapts a DB25 male connection to a DB25 female connection

Fully shielded against outside EMI/RFI interference

Molded design provides a solid connection
