

G2G 3ft (0.9m) 16 AWG 1-to-4 Power Cord Splitter (1 NEMA 5-15P to 4 NEMA 5-15R) (TAA Compliant)

Part No. CG-29806

Prefect for applications where a power strip or UPS is used to provide power to multiple AC transformers or AC/DC wall warts, this handy cable features a male 3-prong plug which splits to four female 3-prong shrouds. Simply plug the power cord's male prong into a standard outlet, and you're ready to power multiple electronic devices.

This cable is ideal for use in compact workplaces or home offices where there is limited space for electronic equipment. Plus this heavy duty 16 AWG cord features a fully molded design for maximum durability and long life. Compatible for power transformers, computers, monitors, scanners, printers, and other devices that use a 3-pin male to female shroud power connector.
