

## C2G 1.5ft (0.46m) 16 AWG 1-to-2 Power Cord Splitter (NEMA 5-15P to 1 NEMA 5-15R +1 IEC320C13) (TAA Compliant)

Part No. CG-29810

Replace your overused or misplaced power cable, or just manage your power more efficiently. This handy cable features a male 3-prong plug which splits to one female NEMA 5-15R shroud, and one female IEC320C13 shroud. Simply plug the power cord's male prong into a standard outlet, and you're ready to power multiple electronic devices.

Saves space by eliminating extra cords, and keeps your surge strip and UPS outlets from being blocked by bulky AC transformers. Ideal for use in compact workplaces or home offices where there is limited space for electronic equipment. Plus this heavy duty 16 AWG cord features a fully molded design for maximum durability and long life. Compatible for digital signage, power transformers, computers, monitors, scanners, printers and other devices that use a 3-pin male to female shroud power connector.

Features & Benefits			
Heavy duty 16 AWG cord		Fully molded cable design
