

C2G
0.5ft (0.15m) USB-C® Female to USB-A Male SuperSpeed USB 5Gbps Adapter Converter
Part No. CG-54428

This USB-C Female to USB-A Male SuperSpeed USB 5Gbps Adapter Converter is the perfect solution for connecting a USB-C device to a laptop or desktop computer that does not have a USB-C port.

Simply connect the adapter converter into a USB-A port of a laptop or desktop computer and enjoy plug and play connectivity for USB-C devices. This adapter converter supports a data rate up to 5Gbps for data transfer and 900mA of power for device operation and charging. This adapter converter is compatible with earlier USB versions.

The USB-C connector has a symmetrical design which is identical on both sides, so no more worrying about whether it's upside-down or right-side-up. It will plug in the first time, every time—while preventing damage to the connector port from frequent plugging and unplugging.

Features & Benefits

Small form factor for portability

Plug and Play—no driver required

Up to 5Gbps data transfer and 900mA of power

Compatible with USB 3.0 specification and earlier versions

Reversible, symmetrical USB-C connector
